

## “Americans Serving America” appreciation program

*where red, white and blue meet green*

We at **Glory Energy Solutions LLC** have always appreciated the individuals who make sacrifices in their lives to serve our fine nation and its inhabitants in so many ways. As our way of saying thank you for keeping our families and communities safe, we proudly proclaim it will always be our policy to provide a discount in the cost of our products and services to those whom we honor.

### SO WHO QUALIFIES?

**ALL career, active volunteer or retired federal, state, local and municipal Public Safety and Public Works personnel** which includes all Public Safety (Law Enforcement, Fire / Rescue, EMS) and all Public Works employees.

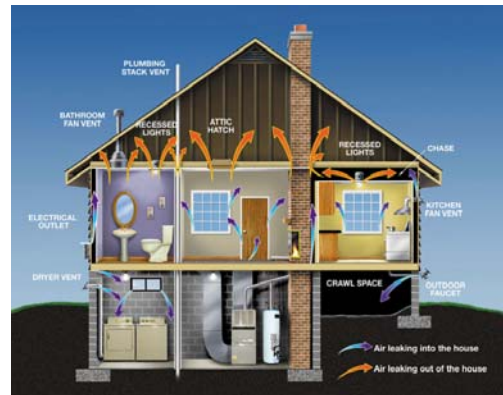

**ALL active duty and honorably discharged veterans of all our Armed Forces** which includes U.S. Army, U.S. Navy, U.S. Air Force, U.S. Marines, U.S. Coast Guard, National Guard and Reserves.

### 10% DISCOUNT FOR HOME ENERGY AUDITING / IMPROVEMENT SERVICES

High utility bills? Have rooms that are difficult to keep comfortable? Excessive dust or moisture? Want to know why and what to do about it? Don't just guess and “try things”, have a strategy and a plan!

For all of our home Energy Audit and Infrared Imaging services we offer a 10% discount off the listed pricing schedule of all our services. The price structure is always posted on our website, and the discount for those eligible will be reflected on the invoice. This offer is for the primary residence of the **Americans Serving America**. In the case of a service member serving away from home, we will of course serve their household and provide this discount.

*This discount can not be added to any other discount or incentive.*

### THANK YOU

*Please accept our small and humble offerings of appreciation, and our most sincere gratitude for the service you provide our little corner of America every day.*

**Thank you, God Bless You All, and God Bless America.**
