

“Americans Serving America” appreciation program

where red, white and blue meet green

*We at **Glory Energy Solutions LLC** have always appreciated the individuals who make sacrifices in their lives to serve our fine nation and its inhabitants in so many ways. As our way of saying thank you for keeping our families and communities safe, we proudly proclaim it will always be our policy to provide a discount in the cost of our services to those whom we honor.*

15% DISCOUNT FOR HOME ENERGY AUDITING SERVICES

High utility bills? Have rooms that are difficult to keep comfortable? Ice dams? Drafts? Want to know why and what to do about it? Don't guess and “*try things*” have a strategy and a plan!

For all of our Home Energy Audit and Infrared Imaging services we offer a 15% discount off the listed pricing schedule of all our services. The price structure is always posted on our website, and the discount for those eligible will be reflected on the invoice. This offer is for the primary personal residence of the **Americans Serving America**. In the case of a service member serving away from home, we will of course serve their household and provide this discount.

This discount can not be added to any other discount or incentive.

SO WHO QUALIFIES?
